

## Web design & Development

You probably know that having a professional website can help you increase sales and expose you to thousands of new people. The question is: can you afford NOT to have a professional website? We offer informational and E-Commerce sites, with HTML and Flash designs. Contact us today for a free consultation by a web design professional. We will help define your needs and guide you to the best plan for your situation. Once we know your needs, we provide an immediate specific quote and are on standby to create your web presence. After receiving your order, we will introduce you to your project manager who will be helping you with your new website.

### Pricing:

- Basic Web Design: \$200Per Page( This includes basic E-Commerce Sites).
- We Will Quote Per Project On Anything That Requires An Extensive 'Back-End' (i.e.: real time database, etc.).
- We bill out at \$95 per hour for updates and modifications.
- We offer 60 Days of free updates and modifications.
